Top Logo Designs Created By Macomb Community College Students To Be Selected October 20 At 1 PM

(Eastpointe, October 14, 2008) – The **11th Annual Cruisin' Gratiot** will shift in to high gear as its host City of Eastpointe celebrates its 80th anniversary. To commemorate this season the Cruisin' Gratiot board reached out to **Macomb Community College students** and asked them to get their creative wheels turning and design a logo that best reflects the famed Cruise and City's history. **Judging of the final entries** will take place at **1 p.m. on October 20** at **Macomb Community College (12 Mile & Hayes) in the south campus' S building lobby**.

The **contest** also once again allows Cruisin' Gratiot another way to give back to the community. The Top 3 student designs chosen at the contest will be awarded scholarship contributions by Cruisin' Gratiot valued at \$500 (1st place), \$250 (2nd place), and \$100 (3rd place). The Cruise's scholarship contributions will also be matched by Macomb Community College.

Entries will be judged based on creativity by the Cruisin' Gratiot board members. The 1st place design will also be printed and distributed on official 11th Anniversary Cruisin' Gratiot merchandise.

The 11th Annual Cruisin' Gratiot kicks off June 15 with a week of activities and culminates June 20 (Cruise Day) with the two-mile trip down Eastpointe's Gratiot Avenue (8 Mile Rd, north to 10 Mile Rd).
